# INFORMATION HANDBOOK UNDER RIGHT TO INFORMATION ACT, 2009 WITH RESPECT TO INFORMATION TECHNOLOGY DEPARTMENT

---

## INTRODUCTION

The J&K Right to Information Act, 2009 as passed by the Jammu and Kashmir State Legislature received the assent of the Governor on 20th March, 2009. The Act provides for setting out the regime of Right to Information for the people of the State to secure access to information under the Control of Public Authorities, in order to promote transparency and accountability in the working of every public authority, the constitution of a State Information Commission and for matters connected therewith or incidental thereto.

The objective of this handbook is to provide information to the intended users regarding different functions being delivered by the Information Technology Department.

## **CHAPTER - 1:**

### **Particulars of Organization, Functions and Duties**

#### **Information Technology Department / Administrative Department**

The Department functions under the supervision and guidance of the Hon'ble Lieutenant Governor and the Administrative Secretary of Information Technology Department.

The J&K State Government has initiated several steps to introduce Information and Communication Technology (ICT) in the State in order to bring efficiency and transparency in the functioning of the Government. As a step towards e-Governance, the State Government created Information Technology Department in the year 2002, vide Government Order No.1939-GAD of 2002 dated 23-12-2002.

The Role of IT Department as defined vide Govt. Order No. 228-GAD of 2003 dated 18.2.2003 is as under:

1. The Information Technology Department shall have a consultative and guiding role in all matters relating to e-governance. The concerned Department shall draw up their individual plans of e-Gov, refer these to the IT Department and after consultations with the IT Department, the works and schemes shall be implemented by the respective departments;
2. Ongoing works, where the ITU has released funds and incurred expenditure relating to e-governance shall be completed by the IT Department;
3. Central funds for the e-Gov projects under any central scheme shall be utilized in consultation with the IT Department;
4. IT Department shall maintain updated rates/rates of purchase of the IT equipment on a quarterly basis. Departments may purchase equipment directly or request ITD to procure it for them;
5. IT Department shall be responsible for all trainings of employees for e-Gov projects;
6. For preparation of Databases, the Departments shall furnish authentic records to the IT Department as and when required. This shall not, however, apply to the Police Department who shall carry on with its own plans;
7. All connectivity issues concerning e-Gov shall be handled in consultation with IT Department. The establishment of Wide Area Network and all connected matters shall also be handled by the IT Department.
8. IT Department shall also be responsible for setting up and functioning of CIC's in the State;
9. Information and Communication Technology architecture and the standards for operational and applications software shall be laid down by the IT Department. IT

Department shall also prescribe security protocols and Public Key Infrastructure Strategy for e-Gov.

10. IT Department shall be responsible for suggesting effective change management for organizational and work process structures that would be necessitated by the introduction of e-Gov. Necessary modifications in code/regulations and other such matters shall be proposed by the ITD for obtaining approval of the competent authority.

The Information Technology Department is engaged in growth of IT sector in the state of J&K and helps establish good governance through the use of Information & Communication Technology. The State Government with the help of IT Department has adopted e-Governance and m-Governance to reach out to citizens in a more effective manner and the age old conventional functioning is being revamped through exhaustive Business Process Reengineering and electronic service delivery.

The Secretary to Government, Information Technology Department is currently Heading this department. With a view to dealing with the different issues pertaining to the Information Technology Department, different Sections have been set up. The brief description is as under: -

- 1) Administrative Section
- 2) Planning Section
- 3) Accounts Section

### **Administrative Section**

Currently this Section deals with the issues relating to the Information Technology as indicated below. During the Legislative Session, the Section plays a coordinating role in collecting information from different Departments/Agencies for preparing replies to the Questions raised by Hon'ble Members.

1. All Subordinate Departments/Agencies
2. Establishment (Gazetted/non-Gazetted)
3. Legal Issues
4. IT Policy
5. e-Governance in J&K

### **Planning and Statistics Section**

This section deals with the collection of data which may be required for framing policies by the Government and also implementation of the State Plan of the Department and Centrally Sponsored Schemes of Government of India. During the Legislative Session, the Section also plays a coordinating role in collecting information from different Departments for preparing replies to the Questions raised by Hon'ble Members.

The Assistant Director (P&S) is currently handling this section.

## **Accounts Section**

There is a full-fledged Accounts Section in the Information Technology Department which deals with the day to day financial matters and issues pertaining to the accounts of the Department.

## **Other Agencies/ Organizations/ Bodies:**

### **Jammu & Kashmir e-Governance Agency (JaKeGA):**

Besides the above mentioned sections, the Information Technology Department has the services of Jammu and Kashmir e-Governance Agency (JaKeGA), a society registered under the J&K Societies Registration Act, for the implementation of various IT Projects undertaken by the department. The details about the Jammu and Kashmir e-Governance Agency is available at [www.jakega.jk.gov.in](http://www.jakega.jk.gov.in).

The Jammu and Kashmir e-Governance Agency(JaKeGA) is an independent Field Organization of the IT Department, which came into existence w.e.f. 14/1/2009. The JaKeGA acts as a Special Purpose Vehicle to Design, Implement and Commission the e-Government projects throughout the State. The JaKeGA is headed by a Chief Executive Officer (CEO) who is assisted by Treasurer and other Contractual Staff. Presently JaKeGA is functioning within Civil Secretariat.

The JaKeGA was formed with a view to function as an intrinsic arm of the government with a mandate to drive e-Governance in the State. The primary objective of the JaKeGA is to implement, deliver and administer e-governance projects by providing necessary administrative, financial, legal and technical framework in the state. JaKeGA also facilitates the establishment of e-service centers throughout the state through suitable public private partnerships (PPP) to ensure that the public gets the desired information and e-services at their doorsteps.

### **State e-Mission Team:**

The Government of India has also provided the services of a team of consultants known as State e-Mission Team. The details of which are available at <http://meity.gov.in>.

The Government of India has approved the Capacity Building (CB) Scheme with the objective of providing technical support and specialized skills for e-governance, to State level policy & decision-making bodies for implementation of the National e-Governance Plan. The main components of the scheme include creation of State e-Governance Mission Teams (SeMT) developing skills and imparting training to stakeholders at the leadership

levels. The SeMTs are expected to assist the State Government in programme management of e-Governance, provide technical support and assist in capacity building, change management and other initiatives. The core functions of SeMT are as follows:

1. Program management at State/UT level.
2. Provide overall direction, ensure standardization and consistency for integration.
3. Undertake strategy planning.
4. Provide project consultancy.
5. Provide Project Development support and guidance to PeMTs.

### **National Informatics Centre (NIC)**

National Informatics Centre (NIC) is a premiere S & T Institution of the Government of India, established in 1976, came into existence in J&K State in 1988 and is providing Secure Network (Internet) backbone and e-Governance support to State Government, Central Governments, District Administrations and other Government bodies. It offers a wide range of ICT services including Nationwide Communication Network for decentralized planning, improvement in Government services and wider transparency of national and local Governments. NIC assists in implementing Information Technology Projects, in close collaboration with Central and State Governments, in the areas of (a) Centrally sponsored schemes and Central sector schemes, (b) State sector and State sponsored projects, and (c) District Administration sponsored projects. NIC endeavors to ensure that the latest technology in all areas of IT is available to its users.

NIC headed by State Informatics Officer (SIO) is working in J&K under an MoU signed with the IT Department.

## CHAPTER-2:

### Powers and Duties of Officers and Employees

The Information Technology Department by virtue of its duties is the nerve center of the administration of its subordinate offices/agencies. The Department functions under the supervision and guidance of the Hon'ble Minister, Information Technology, Minister of State, Information Technology and the Administrative Secretary of Information Technology Department, who at present is of the rank of Secretary to Government. The following are the powers and duties:

#### I. **Minister for Information Technology Department:**

- a) Powers are exercised in accordance with the provision of Jammu and Kashmir Government Business Rules.
- b) Representative of the department in state legislature, state cabinet and any appropriate national/international forum.

#### II. **Minister of State:**

- a) Subject assigned to him in accordance with the distribution of work made by the Hon'ble Chief Minister in accordance with Jammu and Kashmir Business rules.

#### III. **Administrative Secretary:**

- a) Overall head of the department
- b) Executive authority for implementation/enforcement of all the policies, mandate & functions of the department as envisioned by the government.
- c) Directs the formulation of policies related to planning, administration and financial matters in order to achieve the desired objectives of the sector.
- d) Review of the developmental & administrative activities of the line departments.
- e) Any other matter as may be assigned by the Minister Incharge.

The Information Technology Department is engaged in growth of IT sector in the state of J&K & helps establish good governance through the use of Information & Communication Technology. The State Government with the help of IT Department has adopted e-Governance and m-Governance to reach out to citizens in a more effective manner and the age old conventional functioning is being revamped through exhaustive Business Process Reengineering and electronic service delivery.

The **Information Technology Department** plays a lead role in formulation of policies for smooth functioning of the subordinate Departments/Agencies. It monitors and coordinates their working. For better appreciation of the cases involving policy decisions relating to various Departments/Agencies, the matters are placed before the Competent Authority for advice/guidance. The cases after thorough examination at different levels are submitted for orders of the Competent Authority as provided under rules. However,

depending upon the delegation of powers, the cases are submitted to the Secretary, the Hon'ble Minister and the Hon'ble Chief Minister or the Cabinet, as the case may be. The cases listed in Schedule III of the J&K Government Business Rules are submitted to the Hon'ble Chief Minister.

All the other officers down in ranks work under the supervision of the Administrative Secretary and the official work is distributed and executed as per the provisions of Jammu and Kashmir Secretariat Manual. The Administrative Secretary is assisted in its endeavor by a team of officers of the rank of Additional Secretary, Deputy Secretary and Under Secretary, Jammu & Kashmir e-Governance agency (JaKeGA), National Informatics Centre (NIC) and State e Mission Team (SeMT). Down-below the Under Secretary there is an established Non-Gazetted administrative hierarchy headed by the Section Officer. The procedures for dealing with the cases and the functions of the non-gazetted staff have been defined in **Secretariat Manual**. As per the Secretariat Manual, the Section Officer is empowered to dispose of certain issues at his own level or seek information from the concerned offices which he feels would be relevant for decision making.

The Powers and duties of officers are as under:

Sr. No.	Designation	Power and Duties
1.	Administrative Secretary	Head of the Department. Acts and exercises the powers delegated to him under Jammu & Kashmir CSR, Financial Code, Leave/GPF Rules etc.
2.	Director Finance	Officer in-charge of the whole Accounts Section .Scrutiny of financial matters submitted by the Assistant Accounts Officer. Also provides advice on financial matters as may be referred to him by the Secretary or any other Officer.
3.	Additional Secretary/ Deputy Secretary/ Under Secretary	These officers assist the Administrative Secretary in discharge of the duties assigned to them. He monitors the work of the officials/subordinate to him at the level of section officer and below. Authorized to issue letters etc. on behalf of the IT Department
4.	Technical Officers	Member of Purchase committee and technical bid evaluation committees for various Projects. Provide assistance to IT Deptt and other departments regarding Government e-Market Place (GeM). Assisting officers of IT Department in various technical matters from time to time. Website updation and maintenance for IT Deptt. Verification of hardware procured by departments. E-Mail creation of Officers/officials in gov.in domain. Trainings of employees. RTI Audit and GIGW standardization for Websites of departments, District-wise survey of Mobile connectivity.

5.	Assistant Accounts Officer	Provides Assistance to the FA & CAO in discharge of the matters assigned to the FA & CAO/Accounts section.
6.	Section Officer	In charge of the (non-gazetted) section. Scrutiny of files submitted by the Head Assistant as per the procedure prescribed.
7.	Head Assistant / Senior Assistant	To assist the Section Officer in discharge of the duties.
8.	Junior Assistant/ Store Keeper	In charge of the work of diarizing and organizing movements, distribution of receipts/ files in section and other duties like typing as may be assigned to them by the Section Officer etc. One Junior Assistant is designated as Store Keeper who maintains records of the stores and makes entries of the fresh stores purchased into the registers.
